Our Policies, Processes and Risk of Modern Slavery and Human Trafficking

We fully support the aims of the Modern Slavery Act 2015 and oppose the use and exploitation of forced labour or any form of slavery, human trafficking or child labour. We expect those who work for us and on our behalf to share those values. In our business, we do not employ any forced labour. In our use of suppliers, we expect those suppliers to comply with the Modern Slavery Act and we intend to include a clause in all contracts regarding compliance with our Modern Slavery Act Statement. Due to the nature of our business, we assess that our exposure to the risk of modern slavery and human trafficking is very low.
