

Stens (UK) Ltd

Modern Slavery Statement

Stens (UK) Ltd is a UK property management company. It has two direct subsidiary undertaking

- Alde International Systems AB
- Stens Innovation AB

Both are based in Switzerland. The combined turnover of Stens (UK) TD and its direct subsidiary exceeds £36 million.

Stens (UK) Ltd trading activities in the UK do not have any direct employees or supply chain.

The direct subsidiaries manufacture and distribute caravan and motor home heating systems. We acknowledge our responsibility to ensure our business and its supply chain is free from this subject and has a commitment to carry out due diligence to identify potential risks and eliminating them at the earliest opportunity.

Due Diligence

We have reviewed our recruitment policy, workforce make up and temporary labour usage in Switzerland and concluded there is very little risk here.

We have reviewed our supply chain which is mostly European based and concluded there is very little risk here.

Moving Forwards

We will be reviewing our supplier contracts to ensure the issue of modern slavery is addressed in them.
