

Double Diamond Delivery (DDD) is a business consultancy providing services to companies delivering transformation and business improvement projects enabled by technology.

DDD is committed to responsible and sustainable business practices; this includes our responsibility to respect human rights. We are also committed to ensuring that there is no modern slavery or human trafficking in our supply chains or in any part of our business. We commit to acting ethically and with integrity in all our business relationships and to act in compliance with Human Rights principles. Our UK Modern Slavery Act Statements will be reviewed annually.
