

ROXEL (UK ROCKET MOTORS) LIMITED

THE MODERN DAY SLAVERY ACT 2015

INTRODUCTION FROM THE UK MANAGING DIRECTOR

Slavery and human trafficking remain a hidden blight on our global society. We all have a responsibility to be alert to the risks, however small, in our business and in the wider supply chain. Staff are expected to report any concerns and management are expected to act upon them expediently. Roxel UK have updated our policies and procedures to put in place systems that reflect a zero-tolerance approach.

ORGANISATION

Roxel (UK Rocket Motors) Limited, (Roxel UK) designs, develops and manufactures a range of solid propellant rocket motors for all types of missiles for air, sea and ground forces. Roxel UK is a registered business within the UK with its registered office in Kidderminster, Worcestershire.

Roxel UK is part of an Anglo-French organisation, Roxel SAS with operations spread across several sites in the UK and France with a turnover of circa €250m and 1,000+ employees.

OUR SUPPLY CHAINS

Roxel UK supply chain comprises approximately 120 product suppliers. These companies are based in the UK; USA and the EU. All our product suppliers are subject to an approvals process before they are permitted to supply products to Roxel UK. Many of these suppliers hold internationally recognised quality standards and accreditations and are regularly audited / assessed both by the issuing authorities and ourselves to ensure ongoing compliance to quality standards and other regulatory requirements.

Roxel UK have modified its supplier Request for Information (RFI); Request for Proposal (RFP) and Supplier Selection Committee (SSC) processes to include the obligation for any supplier bidding for contract awards to state that its organisation is slavery - and human trafficking - free (i.e. Compliant with the requirements of the Modern Slavery Act). If such commitment is not received it will prevent any supplier from moving forwards to the selection stage of the process.

Additionally, in our standard procurement process, we issue purchase orders that incorporate our General Purchasing Conditions (GPC's). These conditions include the following clause:

"The Supplier shall at all times ensure that the Goods and / or Services are provided in an ethically compliant manner and shall not use child, forced or involuntary labour or be associated with slavery or human trafficking. The Supplier hereby warrants that it has complied with all applicable anti-slavery and human trafficking laws, statutes, regulations and codes from time to time in force including but not limited to the Modern Slavery Act 2015."
