RWE Renewables UK Humber Wind Limited statement

Modern Slavery Act 2015

RWE Renewables UK Humber Wind Limited Slavery and Human Trafficking Statement 2021

RWE Renewables UK Humber Wind Limited ("the Company") owns Humber Gateway wind farm, a 219MW offshore wind farm located 8 kilometres (5 mi) east of Spurn Point off the coast of North East Lincolnshire.

The project is an operating offshore windfarm, with 73 wind turbines.

RWE Renewables UK Humber Wind Limited has appointed RWE Renewables UK Wind Services Limited to provide services to it under a Management Services Agreement. RWE Renewables UK Humber Wind Limited is committed to both the statutory requirements under the Modern Slavery Act 2015, and to acting with integrity in all its business dealings and relationships to have a zero-tolerance approach to Modern Slavery. This is a position which it expects all of its suppliers to respect and adopt.

RWE Renewables UK Humber Wind Limited has instructed RWE Renewables UK Wind Services Limited, to

(i) implement and enforce effective systems of controls to ensure that Modern Slavery is not taking place anywhere within its own business or in any of its own supply chains; and

(ii) ensure that where it negotiates contracts with third parties in its name and on its behalf that such contracts provide suitable provisions relating to the systems of control that such third parties are taking to ensure that Modern Slavery is not taking place within their business and supply chains.

Details of the measures implemented by RWE Renewables UK Wind Services Limited, on behalf of the Company, are set out in RWE Renewables' Slavery and Human Trafficking Statement published, on the Group website:

https://www.group.rwe/en/modern-slavery-act-statement

This statement is made pursuant to Section 54(1) of the Modern Slavery Act 2015 and constitutes RWE Renewables UK Humber Wind Limited's slavery and human trafficking statement for the financial year ending 31st December 2021.

This statement was approved by the Directors of RWE Renewables UK Humber Wind Limited on 25th April 2022.

Adrian Chatterton, Director
